Colors shown are matched as accurately as possible, but may vary slightly from finished product. These rich and vibrant colors are produced with Kynar 500® or Hylar 5000® resins, which provide superior color retention and allow Sheffield Metals to offer non-prorated coating warranties for most applications. Coating warranty varies for Regal Red, Matte Black, Copper, Champagne, Silver, and Pre-Weathered Galvalume. Steelscope's Vintage carries a 20-year Finish Warranty. Please contact your representative for more information.
